Federal Reporting Contractor Information

Covenant Construction Services is required to report certain information on each primary contractor utilized in government funded projects. This requirement is a result of The Federal Funding Accountability and Transparency Act (FFATA) signed on September 26, 2006. FFATA was implemented in tiers based upon contract size, but will be in effect for all contracts exceeding \$25,000 on March 1, 2011. Please provide the following information. As this information is required of Covenant Construction Services, and Covenant Construction Services will not accept any contracts prior to the receipt of this information. Thank you in advance for your cooperation.

Contractor Full Legal Name: _____

Street Address: _____
